## Delusion of False Perceptual Reality

We don't just get to the light by thinking we already have it. We have to first face the darkness.

## Break False Perceptions of Reality to Face the Shadow-Demon-Darkness-Negative-Evil

If we want to actually live in True Freedom and Peace, then we have to destroy the false perceptions we have of ourselves and reality to face the current darkness and shadow. We must fall before we can rise. Burn before we are reborn.
